**MULTISERVICES**

## ♦ ABOUT US ♦

We **VISHWAM MULTISERVICES** are the supplier of Warehouse and distribution/transportation business.

**Our organization** is professionally managed and successfully working in this services sector with having more experiences. We have developed **an approach** and **attitude** to provide the best service system in all aspects.

- ▶ We are providing **Warehouse**. Allied Industrial Services and many more. By gaining **faith** and **satisfaction** of our clients we have become the most **prominent** and **promising** organization of the industry.
- ▶ We are in the practice of making continual improvements in our services and we never make compromises with the quality of our services. It is due to our unmatched quality services and timely delivery that we are able to meet the demands of our clients from varied sectors.

# OUR VALUES

## WORK WITH **HARMONY** IS WHAT WE DO

To bridge the complex & competitive divide between the warehousing and delivery of products from source to end-destination for the quick sale thereof, it requires extensive experience and core knowledge to ensure efficient logistics. We work with harmony for our customers to create a wow factor and sustained quality services.

### **BUILDING TRUST** IS OUR MISSION

Our mission is to set the benchmarks of excellence and trust in global warehousing & logistics services through a financial commitment to bring quality in technology, employees and other customer centric initiatives with robust fundamentals and great financial results to all stakeholders.

### **EARNING GOODWILL** IS OUR VISION

To become the most trusted and leading Warehouse & Logistics services provider (3PL) in the world by delivering the diversified services across the logistics portfolio like an aggregator, in real estate infrastructure, technology and BPM services & hence earning Goodwill of customers, employees, investors and stakeholders.

# Supply Chain Management

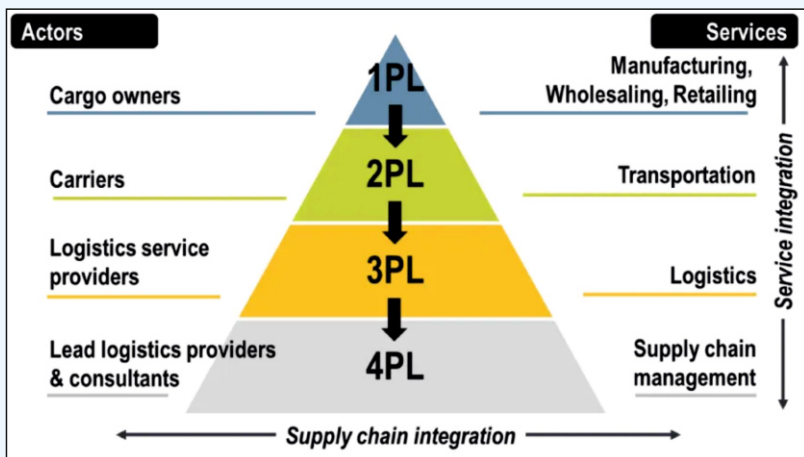

## 3PL SERVICES

A 3PL SERVICES provider directly manages the warehouses, logistics and distribution of all types of companies. With Warehousing Express, these services are part of our client's 3PL requirements.

- ✓ Inventory storage and management
- ✓ Picking and packing
- ✓ Freight forwarding
- ✓ Shipping/distribution
- ✓ Customs brokerage
- ✓ Contract management
- ✓ Cross-docking
- ✓ Job Work
- ✓ Manpower Supply

## 4PL (FOURTH-PARTY LOGISTICS) SERVICES

A 4PL SERVICES provider takes work from a 3PL company, a step further & manages resources, technology and infrastructure. Warehousing Express's 4PL services also manage external 3PLs to design, build and provide supply chain solutions for businesses.

# VMS-KEY IMPRERATIVES

## WAREHOUSE SECURITY & AUTOMATION

Vishwam Multi Services uses latest gadgets as IP based CCTV, Instrusion Alarms & Barcode scanners etc to manage client inventory in an efficient manner.

## CAPITAL MANAGEMENT & ALLOCATION

The decision of allocation is being strategically taken by VMS management based on client's requirements & contract period to reduce operational cost & enhance its accuracy.

## CLIENT RELATIONSHIP

Vishwam Multi Services believes in investing for achieving client's satisfaction & for that we have a dedicated Customer Centric Initiatives Team to ensure personalised services provided to customer where we can even mould operational activities as an extended client organisation. We believe in becoming a growth partner in client's business for long term & mutual benefits.

# WHO WE ARE?

VMS is an accredited venture promoted by many years of proven and varied experience working mostly with leading companies in India. In a fiercely competitive environment. VMS provides The Competitive Edge. Customer Satisfaction being the core objective here, we focus on our mission Delivering Quality Services at competitive cost. We specialize in two of the most important functions of 3PL services i.e. warehousing & Distribution/ Transportation business.

In general Warehouses are located strategically like closer to ports & city as well hence we are also committed to provide finest Warehousing Facilities to our customers. Most of our clients availing Warehousing Services are availing our Transport Services also. We provide best in class IT enabled 3rd party logistics and Distribution Services network.
